## “Management of Acute Hypertension during Pregnancy”

Guest speaker

**Patrick Schneider, M.D.**

Maternal Fetal Medicine, OSUWMC

### LEARNING OBJECTIVES

At the conclusion of this session learners will be able to:

- Recognize patients that may be at risk for development of severe hypertension episodes in pregnancy and postpartum.
- Determine timely antihypertensive therapy, co-administration of magnesium sulfate, and additional appropriate ancillary care.
- Implement a culture of patient safety with debriefs, huddles, and reviews of cases involving severe maternal morbidity to identify opportunities for change.
- Identify the disparities that at-risk populations have for adverse outcomes including persons of color, lower socioeconomic status, and limited healthcare literacy.

**Release:** 02/2022    **Expiration:** 02/2025

**Target Audience:** All Maternal and Fetal Medicine Physicians and Nurses, Hospitalists, OBGYN

**Medium:** Recording of live conference

**Estimated Time of Completion:** 1 hour
