

DNV Chest Pain /Cardiology Education

All Chest Pain Providers (CPP) which include Cardiology, Emergency Medicine, Hospitalist, and Pulmonary/Critical Care, are required to obtain one (1) CME credit specific to chest pain and cardiac care annually and submit proof to the Medical Staff office. To assist with this, we have provided the following education.

12 Noon – 1:00 p.m.

First Floor Conference Rooms (A&B) or Microsoft Teams

2/9/2024 – Monday Noon CME

“Patient Foramen Ovalle (PFO) Closure in PFO
Associated Stroke Update on the Guidelines”

Konstantinos Boudoulas, M.D., OSUWMC

4/12/2024 – Friday Noon CME

“Cardiac Imaging Indications”

OSU MedNet 21 webcast & Lunch

10/21/2024 – Monday Noon CME

“Complex Percutaneous Coronary Intervention (PCI) – An effective
treatment for complex coronary artery disease (CAD)”

Ernie Mazzaferri, M.D., OSUWMC
