

Instructions for one-time set up of CME Portal Web app for existing user (IOS)

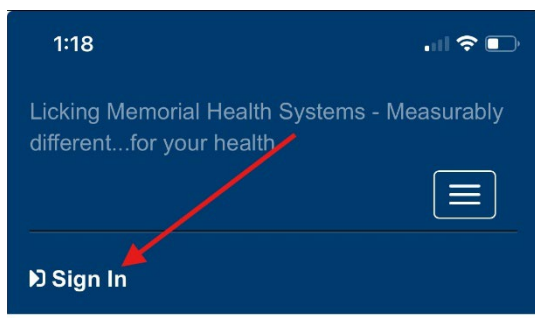

Open Safari Browser.

Navigate to <https://cmetracker.net/LMHEALTH/Publisher?page=pubOpen#/myPortalSO> and select the hamburger menu.

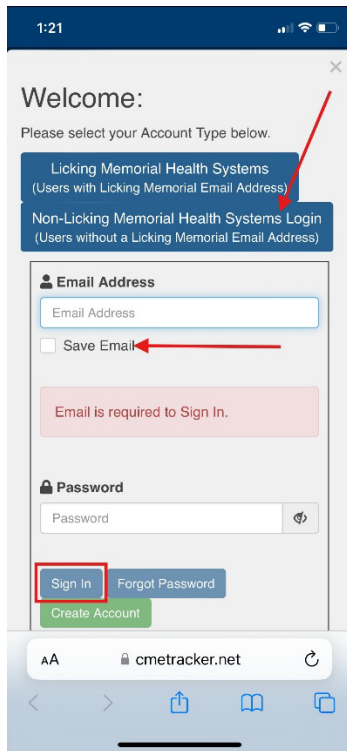

Select Sign In.

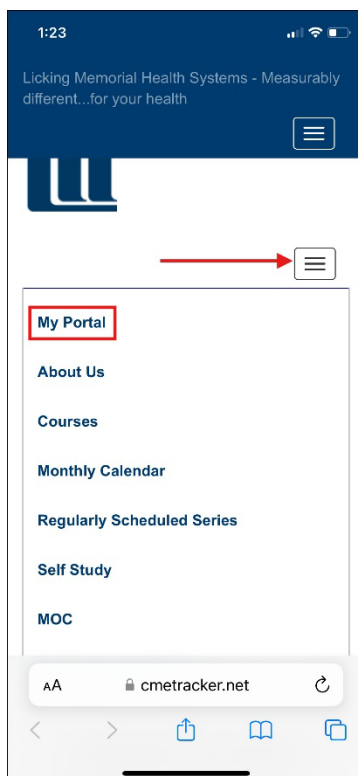

Select to login with your Licking Memorial Health Systems Login, or Non-Licking Memorial Health Systems Login.

Instructions for one-time set up of CME Portal Web app for existing user (IOS)

If selecting Non-Licking Memorial Health Systems Login, enter in your Login information, and remember to check the box for “Save Email”. Then select “Sign In”.

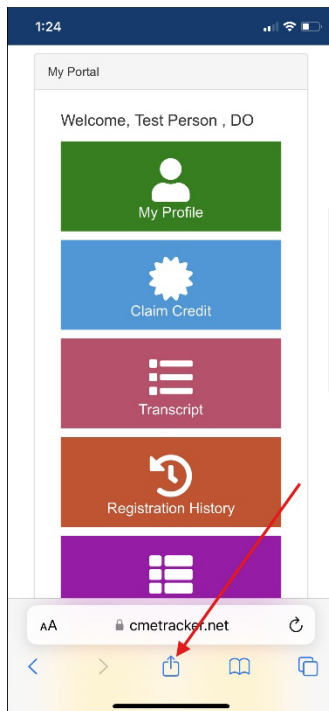

Select Hamburger Menu, and select My Portal.

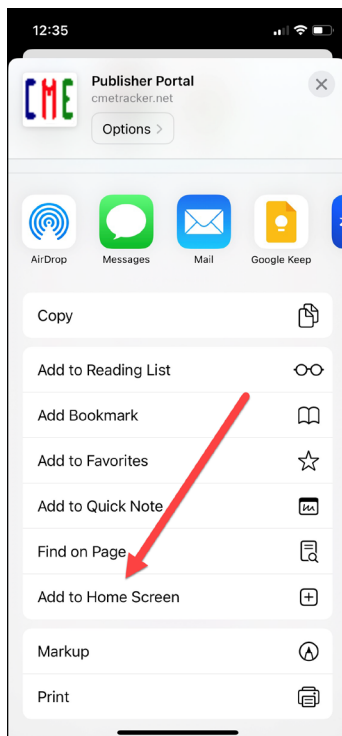

Instructions for one-time set up of CME Portal Web app for existing user (IOS)

On My Portal page, select the Share icon.

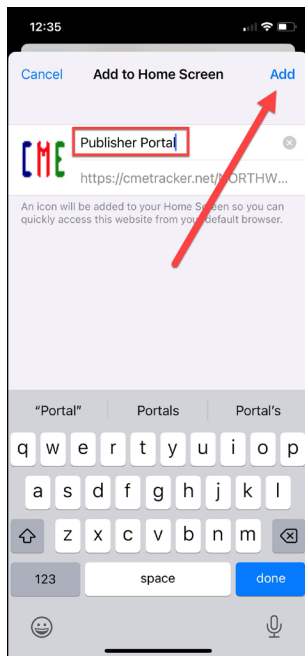

Select “Add to Home Screen”.
