

To Schedule a Speaker:

To schedule a speaker, call the Licking Memorial Public Relations Department at (220) 564-1572. When calling, please be prepared to provide the following information:

- Name of group or organization
- Contact information, phone number, and return address (for confirmation)
- Date, time, and location of presentation
- Presentation topic
- Number of estimated attendees for event

Due to physician and clinical staff schedules, requests should be made at least six weeks in advance to reserve a speaker for a specific topic. Every effort will be made to accommodate your request. Please have a second option for a topic in the event that your first choice cannot be covered.

Speakers Bureau of LMHS

Do you need a speaker for a meeting or program? The Speakers Bureau of Licking Memorial Health Systems (LMHS) can offer a variety of experts covering healthcare topics.

The Speakers Bureau includes physicians, nurses, therapists, administrators, and financial managers who are willing to develop informative and thought-provoking programs. Presentations are tailored to the interest of organizations, including service and social clubs, businesses, and church groups. The LMHS Speakers Bureau can offer creative and innovative speaker solutions.

- Presentations can be tailored for programs as short as 15 to 20 minutes to day-long workshops.
- Speakers can design specific topics of interest to your audience.
