# Paving Our Future

# Lasting Recognition

Please join the Licking Memorial Hospital (LMH) Development Council in creating a lasting and unique way to recognize a family member, special friend, or organization through a personalized tribute. Commemorative bricks will be located in the John & Mary Alford Pavilion Walkway and the Employee Entrance Walkway. Your generous gift will help LMH maintain the high standards of medical treatment and care essential to the well-being of our community.

## Commemorative Bricks

Commemorative bricks create a distinctive, elegant impression and are a unique way to offer lasting recognition for your family member, special friend, or organization. The beige bricks are available with the option of two sizes – 4" x 8" and 8" x 8". The personal brick (4" x 8") will accommodate up to 20 characters per line, including spaces and punctuation, with three lines per brick. The corporate brick (8" x 8") will accommodate up to 20 characters per line, including spaces and punctuation, with five lines per brick. A second option for the corporate brick is to place 20 characters per line, three lines per brick, and a corporate logo.

## Order Form

### Location Options
